SUPPLIES

- One large pizza pan
- 1-2 magnets
- Laminating sheets or machine
- Scissors
- Strong tape (duct or masking tape)
- 2 feet of ribbon

INSTRUCTIONS

1. Laminate all four sheets and cut out each circle and arrow.
2. Using a strong tape, secure the ribbon to the pizza pan by taping both edges to the back.
3. Tape the laminated circles around the edge of your pizza pan.
4. Secure arrow to center of pizza pan with one magnet. Or, if your pizza pan is not magnetic, tape one magnet to the back of the laminated arrow and the other magnet to the back of your pizza pan.
5. Hang inside your classroom on a hook or door knob!
